

GENTLE CARE™

Mölnlycke Health Care

Do hard-to-heal wounds create a burden on your health care resources?

Mölnlycke Health Care will unveil exciting new research and explore future therapy in this challenging field at the symposium:

Extracellular Matrix Protein Therapy; A Novel Treatment In Hard-To-Heal Venous Leg Ulcers

On Friday 16th September 2005 From 16.00 – 17.30
In Silcher Saal, Chaired by Professor Keith Harding.

Speakers:

Prof. Christine Moffatt

Prof. Ralf U. Peter

Prof. Gregory S. Schultz

MD, PhD Marco Romanelli

Prof. Peter Vowden

Nurse Consultant
Kathryn Vowden

To find out more visit the Mölnlycke Health Care team at stand number A16 and join us at 15.30 for a champagne reception prior to the satellite symposium.

All delegates will be entered into the prize draw to win a digital camera
